UNIVERSITY OF MEDIA, ARTS AND COMMUNICATION

PROCEDURE FOR MEDICAL EXAMINATION FRESHMEN AND WOMEN – SECOND BATCH 2023/2024 ACADEMIC YEAR

Pursuant to bullet 10 of your admission letter, the first phase of the medical examination [chest x-ray examination and Laboratory test] for freshmen and women will commence on **9th January 2024 - 13th January 2024** at the **South Legon Campus [North Dzorwulu]** of the University from **8:00 a.m. to 5:00 p.m. each day**. The cost of the medical examination is **Gh¢400.00** to be paid by **cash** directly to the medical team on your scheduled day.

Procedure

- Verify your name on the schedule for medical examination to know your eligibility date.
- Submit a copy of your admission letter for verification on the day.
- Pay the required medical examination fee of Gh¢400.00 in cash to the medical team on the day.
- Undertake your X-ray and laboratory test [as scheduled].

The **second phase** of the medical examination [physical examination/ *chest x-ray examination and Laboratory test for the second batch of applicants*] will commence on **9th January 2024 – 19th January 2024**. Only freshmen and women who have successfully concluded the first phase of the medical examination [chest x-ray examination and Laboratory test] will be eligible for physical examination.

After the second phase of the medical examination, freshmen and women will be given a registration voucher that will enable them to access the Student Online Information System (SOIS) for registration.

The **first phase** of the medical examination process will be in two segments. The first segment will involve laboratory tests, while the second segment will focus on chest X-rays.

Upon completing the assigned test in one segment, please proceed promptly to the other to ensure a smooth flow of the medical examination process.

Note that the medical examination is a required condition of your admission into the University of Media, Arts and Communication (UniMAC). Kindly find below the schedule for the **first phase** of the medical examination.
